The Minister of the Interior.

P.C. No. 382.

THE FOLLOWING IS A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 5TH MARCH, 1923.

THE Committee of the Privy Council have had before them a report dated 20th February, 1923, from the Minister of the Interior, submitting that Letters Patent for the North-east Quarter of Section 30, Township 16 east of the Coast meridian, in the Province of British Columbia, were granted on the 13th October, 1894, to Samuel James Glassey, farmer, now deceased.

Proceedings in the Exchequer Court of Canada were instituted to set aside the above Letters Patent as having been issued through error and improvidence, in that they did not contain a reservation of the merchantable timber on the land.

The Minister states that Order in Council of 6th June, 1918 (P.C. 1292), provides that every patent, lease, licence, homestead entry, or other grant hereafter made of any Dominion lands within the Railway Belt shall be subject to a reservation providing for the taking of any areas required for the exercise of the privileges granted by any water licence, subject to payment by the licensee of such compensation as may be provided in like cases by the Provincial Acts and regulations.

The Minister further states that Order in Council of the 22nd June, 1918 (P.C. 1509), provides that every homestead entry, contract of sale, lease, licence, or any other form of occupancy, patent or other grant hereafter issued of any Dominion lands

within the Railway Belt shall be subject to a reservation providing for the taking of an area for road allowances.

The present owners of the above land desire to secure fresh Letters Patent without the two above-mentioned reservations which have been enforced since the date of the original grant to the late Mr. Glassey, and there would appear to be no objection to acceding to their request.

The Minister therefore recommends, notwithstanding the reservations in the Orders in Council of 6th June, 1918, and 22nd June, 1918, that he be authorized to issue new Letters Patent for the North-east Quarter of Section 30, Township 16, east of the Coast meridian, without the reservations as provided therein.

The Committee concur in the foregoing recommendation and submit the same for approval.

P.C. No. 92.

CERTIFIED COPY OF A REPORT OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 18TH JANUARY, 1923.

THE Committee of the Privy Council have had before them a report dated 22nd December, 1922, from the Minister of the Interior, submitting that the Vancouver, Victoria, and Eastern Railway and Navigation Company has applied for a lease for railway purposes, for those certain parcels or tracts of land comprising portions of Lots Forty-nine and Fifty, Block Two Suburban, and Lots Six and Seven, Block Three Suburban, in the townsite of Hope, in the Fifth Township, in the Twenty-sixth Range, west of the sixth meridian, in the Province of British Columbia, as the said lots are shown on a plan of the said townsite approved and confirmed by E. Deville, Surveyor-General of Dominion Lands on the twenty-second day of October, one thousand nine hundred and eight, and of record in the Department of the Interior under number fourteen thousand four hundred and seven, and which parcels may be more particularly described as follows:—

Firstly: All that portion of said Lot Forty-nine lying to the south of the Canadian Northern Pacific station-grounds and shown coloured green on the Vancouver, Victoria and Eastern Railway and Navigation Company Plan, Profile, Book of Reference, showing constructed division-yard, connections with the Kettle Valley Railway and Canadian Northern Pacific Railway lands required, and streets and lanes to be closed, approved and confirmed by E. Deville, Surveyor-General of Dominion Lands, on the twentieth day of September, one thousand nine hundred and twenty, and of record in the Department of the Interior under number thirty thousand and ninety-two, and containing by admeasurement one acre and twenty-three hundredths of an acre, more or less.

Secondly: All the northerly four hundred and thirty-three feet of said Lot Fifty shown on the said plan of record in the Department of the Interior under number thirty thousand and ninety-two, and containing by admeasurement three acres and fifty-eight hundredths of an acre, more or less.

Thirdly: Beginning at a wooden post at the north-westerly corner of said Lot Seven; thence southerly along the westerly boundary of the said lot a distance of three hundred and fifty feet to a point; thence on a bearing of ten degrees and twelve minutes, a distance of four hundred and thirty-two feet, more or less, to the southerly limit of the southerly leg of the right-of-way, leased for the purpose of a wye to the Canadian Northern Pacific Railway Company, as shown on a plan of the said wye, approved and confirmed by T. Shanks, for the Surveyor-General of Dominion Lands, on the sixth day of June, one thousand nine hundred and twenty-two, and of record in the Department of the Interior under number thirty-one thousand four hundred and forty; thence westerly along the said southerly limit of the said right-of-way to its point of intersection with the westerly boundary of said

Lot Six; thence southerly along the said westerly boundary a distance of seventy-six feet and fifty-two hundredths of a foot, more or less, to the point of beginning; containing by admeasurement one acre and forty-three hundredths of an acre, more or less.

All the lands herein described as shown within a hatched border on the plan attached hereto and containing by admeasurement six acres and twenty-four hundredths of an acre, more or less; all the said bearings being astronomical and referred to the astronomical meridian through the centre of the said township.

The lands applied for have for some years been reserved for railway purposes, and the Board of Railway Commissioners reports that there is no reason why the land should not be leased to the Company. The lands applied for are vacant and available.

The Minister therefore recommends that he be authorized to issue a lease to the Vancouver, Victoria and Eastern Railway and Navigation Company for the lands as above described, the lease to be for a term of five years at an annual rental of five dollars per acre and subject to cancellation upon six months' notice by the Minister of the Interior, and to be on such terms and conditions as the Department of Justice may consider advisable.

The Committee concur in the foregoing recommendation and submit the same for approval.

P.C. No. 91.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 18th day of January, 1923.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS by section 17 of the Coal-mining Regulations, approved by Order in Council dated the 20th April, 1910 (P.C. 729), it is provided that if during the term of the lease the lessee shall fail to pay the rental in advance for each subsequent year, at the rate of one dollar an acre per annum, within thirty days after the date upon which the same became due, the lease shall be subject to cancellation in the discretion of the Minister, and to the immediate forfeiture of all the rights granted thereunder:

And whereas a large number of coal-mining leases have been cancelled in the records of the Department of the Interior, owing to non-payment of the prescribed rental, and applications have subsequently been made by the former recorded owners of such cancelled leases for permission to make payment of all arrears of rental and interest due, in order to obtain reinstatement in the rights which they formerly had to such cancelled leases:

And whereas it would appear to be advisable that a person who has incurred a considerable expenditure in connection with a coal-mining location, but who has suffered the lease thereof to be cancelled through failure to comply fully with the provisions of the regulations in respect of the payment of rental, should have the right to reinstatement, provided payment is made in full of all arrears due to the Crown for rental and interest:

Therefore, His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order that section 17 of the Coal-mining Regulations, approved by Order in Council dated the 20th April, 1910 (P.C. 729), above referred to, shall be and the same is hereby amended by adding the following thereto:—

"Provided that if at any time after a lease has been cancelled through failure to pay the prescribed rental the person in whose favour the lease stood recorded on the date of cancellation applied to the Mining Recorder for the district for reinstatement in the rights which he formerly had to such lease, and tenders the full amount of the rental which should have been paid to maintain the lease in good standing, with interest, such person may

be reinstated in the right which he formerly had to the location sought to be reacquired, or to any portion thereof, which may still be available."

P.C. No. 210.

CERTIFIED COPY OF A REPORT OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 26TH FEBRUARY, 1923.

THE Committee of the Privy Council have had before them a report, dated 29th December, 1922, from the Minister of the Interior, submitting that application has been made on behalf of the Tranquille Sanatorium to purchase as an addition to the Tranquille Farm the following described land:—

That certain parcel or tract of land comprising that part of Fractional Legal Subdivision Seven lying north of the north boundary of the land described as "low land liable to flooding" in Section Twenty-five, in the Twentieth Township, in the Nineteenth Range, west of the sixth meridian, in the Province of British Columbia, as the said parcel is shown upon a plan of the north-east quarter of said township approved and confirmed by T. Shanks for the Surveyor-General of Dominion Lands on the twenty-third day of March, one thousand nine hundred and twenty-two, excepting thereout and therefrom the right-of-way of the Canadian Northern Pacific Railway, now the Canadian National Railways, as shown upon a plan of survey of the said right-of-way signed by G. M. Christie, Dominion Land Surveyor, on the twenty-eighth day of July, one thousand nine hundred and seventeen, and of record in the Land Registry Office in the City of Kamloops under number A two hundred and forty-four, a duplicate copy of which was approved and confirmed by E. Deville, Surveyor-General of Dominion Lands, on the third day of February, one thousand nine hundred and nineteen, and which is of record in the Department of the Interior, Ottawa, under number twenty-seven thousand eight hundred and seventy-three, the said parcel containing by admeasurement twenty-seven acres and three-tenths of an acre, more or less.

An officer of the Department of the Interior has reported that six acres of the above-described land has been placed under cultivation by the Anti-Tuberculosis Society, the former owners of the Sanatorium and Farm, and that the land applied for is worth five dollars per acre.

The land applied for adjoins an area held by the Tranquille Sanatorium and is no doubt required in connection with the enlargement of the farm. The purchase price has been paid in full.

The Tranquille Farm and Sanatorium have been transferred to the Province of British Columbia, and the Minister recommends that title to the above-described land be and the same is hereby vested in the Crown as represented by the Province of British Columbia.

The Committee concur in the foregoing recommendation and submit the same for approval.

THE Committee of the Privy Council have had before them a report, dated 15th February, 1923, from the Minister of the Interior, submitting that the Government of the Province of British Columbia has applied, under the provisions of subsection (1) of section 16A of the "Dominion Forest Reserves and Parks Act," as amended by section 2 of chapter 17 of the Statutes of Canada, 1919, for a grant of the surface rights, together with the min-

erals, within the meaning of the "Mineral Act" of the said Province, located in the undermentioned lands, and has complied with the provisions of the Order in Council of the 13th May, 1899, by filing the sworn declarations of a Dominion land surveyor to the effect that the lands in question are of no value for agricultural purposes or for the timber growing thereon, and has paid therefor, at the rate of \$1 per acre, the sum of \$152.90, the said lands being:

That certain parcel or tract of land situate in Section Two in the Nineteenth Township, in the Twenty-third Range, west of the sixth meridian, in the Province of British Columbia, comprising the Forge Mineral Claim, being Lot Four thousand five hundred and seventy-four; the Cindar Mineral Claim, being Lot Four thousand five hundred and seventy-five; and the Glossie Mineral Claim, being Lot Four thousand five hundred and seventy-six, all in the Ashcroft Mining Division of the Kamloops Division of Yale District, in the said Province, which said parcel may be more particularly described as follows:—

Commencing at an iron post in a stone mound distant two hundred and forty-one feet and eight-tenths of a foot, more or less, north, and one thousand four hundred and thirty-seven feet and one-tenth of a foot, more or less, west, from a wooden post in a stone pile marking the north-east corner of the south-east quarter of Section Two as the said quarter-section is shown on the plan of the said Township Nineteen, approved and confirmed by E. Deville, Surveyor-General of Dominion Lands, on the ninth day of March, one thousand nine hundred and four; thence south four degrees and two minutes east a distance of one thousand five hundred feet, more or less, to an iron post; thence south eighty-five degrees and fifty-eight minutes west a distance of one thousand five hundred feet, more or less, to an iron post in a stone mound; thence north four degrees and two minutes west a distance of one thousand four hundred and ninety-nine feet and four-tenths of a foot, more or less, to a wooden post in a stone mound; thence south six degrees and forty-six minutes west a distance of twenty-nine feet and six-tenths of a foot, more or less, to a wooden post in a stone mound; thence south one degree and sixteen minutes east a distance of one thousand five hundred feet, more or less, to an iron post in a stone mound; thence south eighty-eight degrees and forty-four minutes west a distance of one thousand five hundred feet, more or less, to an iron post in a stone mound; thence north one degree and sixteen minutes west a distance of one thousand five hundred feet, more or less, to an iron post in a stone mound; thence north eighty-eight degrees and forty-four minutes east a distance of six hundred and forty-two feet and eight-tenths of a foot, more or less, to an iron post in a stone mound; thence north nine degrees and fourteen minutes west a distance of one thousand three hundred and eighty-one feet and two-tenths of a foot, more or less, to an iron post in a stone mound; thence north eighty degrees and forty-six minutes east a distance of one thousand five hundred feet, more or less, to an iron post in a stone mound; thence south nine degrees and fourteen minutes east a distance of one thousand five hundred and thirty feet, more or less, to an iron post in a stone mound; thence north eighty-five degrees and fifty-eight minutes east a distance of eight hundred and fifty-four feet and four-tenths of a foot, more or less, to the point of commencement; the said parcel containing by admeasurement one hundred and fifty-two acres and nine-tenths of an acre, more or less; all the said bearings being astronomical; all according to the plans and field-notes of the said Forge, Cindar, and Glossie Mineral Claims signed by W. S. Drewry, Dominion Land Surveyor, on the eighteenth day of February, one thousand nine hundred and twenty, and of record in the Department of the Interior, Ottawa, under number seventeen thousand four hundred and eighty-two.

The Minister further submits that the aforementioned mineral claims situate in the Nicola Forest Reserve were recorded in accordance with the British Columbia "Mineral Act" before the establishment of the said forest reserve, and that the amount of money expended in the development

of these mining claims renders advisable the transfer of the surface and under rights to the Province.

The Minister therefore recommends that the surface rights, together with the minerals, within the meaning of the "Mineral Act" of the Province of British Columbia, located in the above-mentioned lands, comprising one hundred and fifty-two acres and nine-tenths of an acre (152.9) acres, be declared vested in His Majesty King George the Fifth for the purposes of the Province of British Columbia under the provisions of clauses (a) and (b) of subsection (1) of section 16A of the "Dominion Forest Reserves and Parks Act," as amended by section 2 of chapter 17 of the Statutes of Canada, 1919.

The Committee concur in the foregoing and submit the same for Your Excellency's approval.

**DOMINION ORDERS IN COUNCIL.**

P.C. No. 123.

AT THE GOVERNMENT HOUSE AT  
OTTAWA.

Thursday, the 8th day of March, 1923.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-  
GENERAL IN COUNCIL.

**W**HEREAS by an Order in Council dated the 6th October, 1919 (P.C. 2044), provision was made that the coal-mining rights, the property of the Crown, in Townships 55, 56, 57, 58, and 59, in Ranges 7, 8, and 9, west of the 6th initial meridian, shall be withdrawn from disposal under the provisions of the Coal-mining Regulations established by Order in Council of the 20th April, 1910, and the amendments thereto, and shall form a coal reservation in the northern portion of the Province of Alberta:

And whereas by an Order in Council dated the 18th January, 1923 (P.C. 91), provision was made that section 17 of the Coal-mining Regulations, above referred to, be amended by adding the following thereto:—

"Provided that if at any time after a lease has been cancelled through failure to pay the prescribed rental, the person in whose favour the lease stood recorded on the date of cancellation applies to the mining recorder for the district for reinstatement in the rights which he formerly had to such lease, and tenders the full amount of the rental which should have been paid to maintain the lease in good standing, with interest, such person may be reinstated in the right which he formerly had to the location sought to be reacquired, or to any portion thereof which may still be available."

And whereas the reservation created by Order in Council dated the 6th October, 1919, was for the public benefit, and should therefore extend as far as possible to all the lands within the townships described in the said order:

Therefore, His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order that the provisions of the Order in Council of the 18th January, 1923 (P.C. 91) above quoted, providing for reinstatement, shall not apply to coal-mining leases comprising any portions of Townships 55, 56, 57, 58, and 59, in Ranges 7, 8, and 9 west of the 6th initial meridian, which have in the past been, or which may in the future be cancelled in the records of the Department of the Interior, owing to failure to comply fully with any of the provisions of the regulations under which such leases may have been granted.
